

ROUND 1 RESULTS

In Round 1 of the *World Whiskies Awards*, our panel of experts blind tasted entries by their style (eg. Blended, Single Malt...) and in their region (eg. American, Japanese, Scotch...). These were also grouped by age statement in order to determine the best whiskies by overall category (eg. Best Blended Japanese No Age Statement). This is illustrated in the diagram below and it shows the journey each whisky takes should it move on to Round 2
