The World Drinks Awards is proud to announce that the list of country and category winners for the World Drinks Awards France 2025 for gin and whisky, have been revealed!

On Friday, 27 September, the winners of the World Drinks Awards France 2025 were unveiled. The awards this year took place in The Gustave Eiffel Lounge at the stunning and world-renowned Eiffel Tower in Paris.

The event featured talks from awards hosts and sponsors, including Damian Riley-Smith, founder of Whisky Magazine, cocktails, appetizers and opportunities to taste products entered in the competition.

The awards this year saw a phenomenal turn out for both whisky and gin, which proved to be a challenge for our international judging panel. None the less, the judges meticulously analysed each product and selected more than 20 exceptional winners.

About the World Drinks Awards

The **World Drinks Awards** are the global awards recognising spirit drinks and the many styles within these categories. There are two separate strands to these awards – one is for taste and the other is for design excellence.

Launched in 2007, the World Drinks Awards are the global awards selecting the very best in all internationally recognised styles of drinks, through blind tasting with our expert panel of judges. With over 35 categories including Whisky, Gin, Vodka, Tequila, Sparkling Wine, Beer, No & Lo, and tasting held globally across the UK, Germany, Brazil, Chile, Japan, Canada and USA, we are always looking for the next best product to crown 'World's Best' within each category.

Our Icons Awards also enable you to nominate the stars of your industry and are a celebration of the years of hard work that go into every bottle. From the distillers themselves and brand ambassadors, to visitor centres – a great deal of craftsmanship, skill and knowledge are imparted at each stage of the process.

Entrants into our whisky and gin competitions, will be invited to attend our Awards ceremonies to celebrate in person both category winners and the 'World's Best'.
